

# COMPANY PROFILE

**2026**

## ■ About Company

At VOLZOR Group, we take pride in being a reputed brand in India with an extensive and valuable dealer network across the country. As a forward-thinking organization, we are now charting new territories with plans to expand our footprint across the globe.

Under the Volzor Group, multiple companies manufacture products across different categories. All products are marketed and sold under the unified brand name Volzor. The legal name of the textile manufacturing entity operating under the Volzor Group is Tradeline Impex.

## ■ Our Focus

### **Investment in Indian Manufacturing:**

We continually invest in manufacturing units in India, empowering them to produce global-quality products.

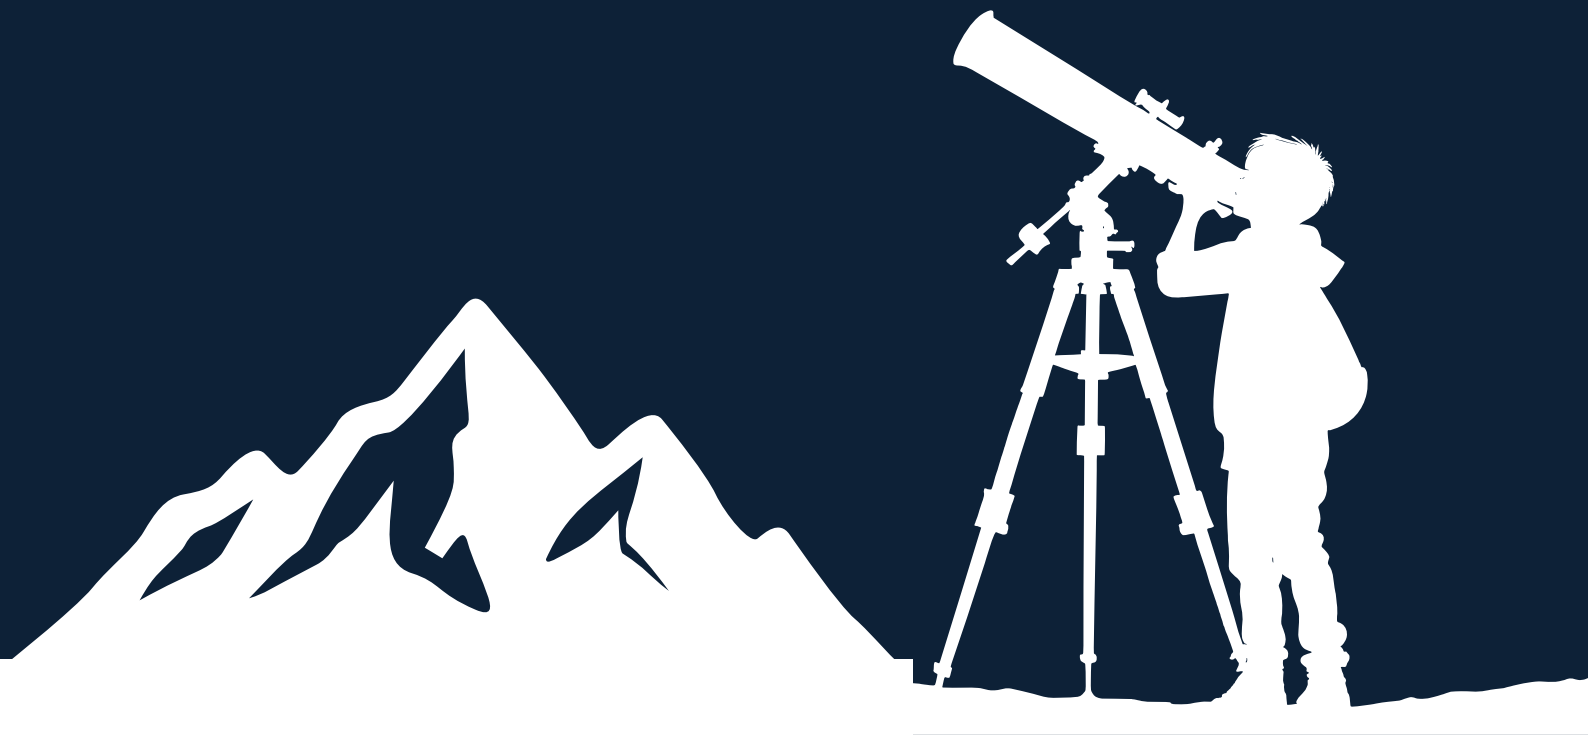

**Diverse Sectors:** From towels to other promising industries, VOLZOR Group fosters growth in various sectors, driving value for businesses and communities alike.

**Global Standards:** Our commitment to quality ensures that every product meets international benchmarks, enabling us to compete and thrive in global markets.

## ■ Our Mission

Our mission is to deliver high-quality, reliable products that meet global standards while building long-term partnerships through trust, consistency, and innovation. We aim to expand the Volzor brand worldwide by maintaining excellence across manufacturing and distribution.

# ■ Leadership Team

At VOLZOR Group, our leadership team drives the company's vision with experience, expertise, and passion, ensuring the delivery of innovative, high-quality solutions globally. However, the true strength of VOLZOR Group lies in the many unsung heroes—our dedicated staff members—whose hard work and commitment power every success.

## **Shobha Tambe**

– Founder

The visionary who established VOLZOR Group with a mission to create innovative manufacturing solutions for global markets.

## **Pranali Tambe**

– Managing Director

Spearheading strategic growth and operational excellence, Pranali is key to our global expansion.

## **Swapnil Tambe**

– Global Business Head

With over 10 years of expertise, Swapnil builds strong partnerships worldwide, helping dealers grow through our premium products.

## **Sanket Tambe**

– Director of Operations

Sanket ensures smooth production and delivery with a focus on quality and efficiency.

## **Pooja Tambe**

– Head of R&D

Pooja leads innovation by developing eco-friendly, durable products tailored to emerging market demands.

At VOLZOR Group, every achievement is a reflection of the hard work of not only our leaders but also the countless heroes behind the scenes, who make it all possible.

# ■ Manufacturing Plants

## State-of-the-Art Facilities

At VOLZOR Group, our advanced manufacturing plants in Pune, India, ensure high-quality production with the latest technology and unmatched efficiency.

## Advanced Technology

Equipped with modern terry looms and advanced dyeing & finishing systems, we ensure consistent quality, superior absorbency, and long-lasting softness in every towel.

## Largest Capacity

With the ability to produce 200,000 towels per day in various sizes, we ensure fast delivery and competitive pricing for our customers.

## Sustainability

From using recyclable materials to optimizing energy usage, we prioritize eco-friendly practices.

Our facilities are designed to deliver superior products quickly and responsibly, meeting the demands of global markets.

# Explore Our Range

At VOLZOR Group, we cater to various industries with specialized towels mat solutions.

**Bath Towel**

**Hand Towel**

**Kitchen Towel**

**Bath Mats**

**Bamboo Towel**

**Banana Towel**

# ■ Export Pallet Packing

All products are packed on export-grade pallets to ensure safety during storage and international transportation. Pallets are securely wrapped and strapped to prevent damage and ensure smooth handling throughout the logistics process.

- Fumigated wooden or plastic pallets (as per export norms)
- Shrink / stretch wrapping with strong strapping
- Clear pallet labeling with product and shipment details
- Suitable for containerized sea and export shipments

# ■ Export Container Loading

All containers are loaded following standard export procedures to ensure product safety and space optimization during transit. Goods are systematically arranged and secured to prevent movement, damage, or moisture exposure throughout the shipment.

- Professional and systematic container loading
- Optimal space utilization for cost efficiency
- Proper securing to avoid transit damage
- Suitable for sea and international export shipments
